

Mono

One group electronic espresso coffee machine boasting excellent functionality and small form factor. Representing great design and value for money. Designed for cup sizes up to 124mm making the machine ideal for take away cups or Latte but also supplied with a removable cup stand for smaller espresso cups.

Mono is highly suitable for the smaller café or bar that wishes to serve espresso, cappuccino and other espresso based drinks. And thanks to its tried and tested technology along with craftsman build quality you can count on years of trouble free service.
